

# HOPELESS ROMANTIC APPLICATION FORM

*J. Jacob Barker*

Name: Not available to you,  
even if the  
age old questions  
(that I can't get out of my head)  
would lead you to the  
address to my heart—  
no, you can't have it;  
no, I really wish you would go away—  
you can't have my  
phone number— why?  
You wouldn't call,  
leaving me with no  
occupation— unless there is  
the consideration of a  
spouse: Does she work here right now?  
Do you know if she is right for me?  
can you tell me her address?  
At least her phone number?  
(NO!)—well shit,  
why should I even bother  
working here...  
references All of those  
don't answer my calls,  
so I don't know  
if they'll answer yours—  
please don't let this  
affect my eligibility.  
Date: Me?
